(SWS, 2015)

**Why is our
Country
like this today?**

**Because
many of our Leaders
have become
a BIG Part
of our Country's Problem**

People's Primary

**A Mechanism in
electing Servant Leaders who are
honest, competent, with strong political will**

**If we can elect
BETTER LEADERS,**

**perhaps we improve
our political system,
our economic system ...**

Under the Present System

*During elections,
we are left to choose the
“**Lesser Evil**”*

Result?

**Our government is
full of so many
“LESSER EVILS”**

PEOPLE'S PRIMARY

**The People will be the ones
to nominate
who they want to run for
P, VP, Senator, Representatives
and candidates for local posts**

GABAY KRISTO

Pope Francis on politics :

GABAY KRISTO

“None of us can say, ‘I have nothing to do with this, they govern. No, no, I am responsible for their governance, and I have to do the best so they can govern well, and I have to do my best by participating in politics according to my ability.’”

“Politics, according to the Social Doctrine of the Church*, is one of the highest forms of charity, because it serves the common good. I cannot wash my hands. We all have to give something!”

* *Compendium of the Social Doctrine of the Church, 377-392*

GABAY KRISTO

“A good Catholic meddles in politics, offering the best of himself – so that those who govern can govern. But what is the best that we can offer for those who govern? Prayer!”
